Welcome to ICFAI Business School

Founder's Profile

N J Yasaswy

Founder ICFAI Group
1950-2011

Mr. N. J. Yasaswy (1950-2011), founder of the ICFAI Group of educational institutions and a pioneer in promoting higher education in the private sector had a brilliant academic career: B.Com (Andhra University 1969 – First Rank), CA Inter (May 1971 – First Rank), CA Final (May 1973 – First Rank), ICWA Inter (July 1970 – First Rank) and ICWA Final (July 1972 – First Rank). He was the recipient of the Basu Foundation Award for the Best Student of the Year from both – The Institute of Cost and Works Accountants of India (in 1972) and The Institute of Chartered Accountants of India (in 1973).

During 1974-1980, Mr. Yasaswy was associated with the Administrative Staff College of India as a Faculty Member. In 1981, he started his consultancy firm, Yasaswy Management Associates Private Limited, Hyderabad.

Mr. Yasaswy was appointed by the Government of Andhra Pradesh as Chairman, Andhra Pradesh State Trading Corporation (1985–88), and Vice-Chairman, Public Enterprises Management Board (1986–88). He was a visiting faculty member at the Indian Institute of Management-Ahmedabad (1986-88) and was nominated as a Member on the SEBI Committee on Accounting Standards. He was a member of the Board of Directors of the Association of Certified International Investment Analysts (ACIIA), Switzerland. He authored several books on finance and investments.

Mr. Yasaswy set up the ICFAI as a single institute in 1985 without governmental sops or institutional funding, in an era where government support was the norm. He chose to spend all his energy on the fledgling institution which over the years grew to become a monument to what ambition can deliver.

He was instrumental in building several business schools and universities in the developing states of India, particularly in the North-East region. He stood for professional management, excellence in the quality of education offered in the ICFAI institutions, and absolute discipline.

He was charismatic, a great teacher, an institution builder, a visionary and a genius who was years ahead of his time. His vision will continue to guide ICFAI forever.

ICFAI Group started its chain of business schools: ICFAI Business Schools (IBS), across India in 1995 to offer management program. Since its inception, IBS has been consistently ranked among the top Business Schools of India providing excellent academic delivery and infrastructure to its students and transforming them into leaders for the future.

The ICFAI Group

Pioneering professional education for over 4 decades

ICFAI was established in 1984 as a not-for-profit society with the broad objective of empowering student community through world class quality education. The Institute announced its arrival into the Indian education by innovatively launching the Professional Program in Financial Analysis in 1985. ICFAI Group has made a significant mark in the Indian educational field with a pan-Indian network and presence.

IBS Dehradun

IBS Gurgaon

Since its inception in 1995, ICFAI Business School (IBS) has been one of the best B-schools in the country providing excellent academic delivery and infrastructure to the students. We have a unique culture that emphasizes action over just academic thinking. Our case study methodology, emphasis on entrepreneurship, innovation and problem solving underline the need for 'doing' rather than just ivory tower thinking.

IBS campuses located at Hyderabad, Bangalore, Dehradun, Jaipur offer MBA program and Ahmedabad, Gurgaon, Kolkata, Mumbai and Pune offer a two year Postgraduate Program in Management. The Program prepares the students and equip them for successful corporate careers.

IBS Hyderabad, Bengaluru, Dehradun and Jaipur are Universities and campuses offering PGPM program are independent professional institutions and are neither affiliated to nor are off-campus centers of any University.

IBS campuses are committed to achieving excellence in teaching and research by focusing on the necessary hardware (like infrastructure, library, computers etc.) and software (like pedagogy, learning frameworks, e-learning kits, databases, software etc). Faculty members are encouraged to pursue teaching and research projects, publish research articles in refereed journals and participate in various national and international research seminars and conferences.

Students are encouraged to get involved in several co-curricular and extracurricular activities for all-round personality development. Internships and placements are given utmost importance. Every year several leading companies visit IBS campuses for summer internships and final placements. Career Management Centers located at IBS campuses guide the students on placement matters. The alumni fraternity, growing from year to year, actively participates in the development of IBS students.

ICFAI Business School

ADVANTAGE

Curriculum

Students are exposed to the latest body of knowledge through the contemporary, market-oriented curriculum.

Continuous Learning

The program offers students an opportunity for continuous learning, so that their knowledge and skills remain current and relevant.

Classroom Sessions

Students receive regular classroom instruction, which helps them learn and internalize their understanding of subjects.

Case based Learning

Learning is based on cases. Most of the courses are taught through real life cases, designed to help students appreciate real life situations.

Students centered learning

IBS uses learning outcomes which focus attention on explicit and detailed statements of what students learn: the skills, understanding and abilities students seek to develop in them. IBS uses rubrics to assess the learning.

Using Rubrics

Rubrics are tools used to assist in the measurement process. Rubrics define the various levels of each of the components of learning in a measurable way. Rubrics assist both the student and the faculty to clearly identify the level to which the outcome has been achieved. IBS uses Rubrics for assessing the soft skills and summer internships.

Continuous Evaluation: Students are evaluated on the basis of tests, case analysis, seminars, projects, etc., continuously throughout the duration of the program.

Projects: Students are encouraged to take up projects on contemporary topics as part of their independent study.

Soft-skills : IBS has included soft-skills as one of the compulsory courses for the students. It provides the students the opportunity to develop their personality and hone their interpersonal skills. IBS has appointed full time qualified professional counsellors to assess the psychological profile of students and help them achieve attitudinal changes required for today's dynamic corporate life. The Counsellors conduct relevant psychometric tests and give feedback on strengths, weaknesses, aptitude, behavioural traits and identify opportunities for improvement.

Computing Facilities

IBS provides the latest hardware and software infrastructure including high speed internet to cater to all the computing needs of the students and the training requirements of the information technology courses. All IBS Campuses are Wi-fi enabled.

Library

Libraries are well-equipped with latest software packages and have comprehensive collections of books, videos, Indian and international journals/magazines and research reports, relating to management and allied subjects. ICFAI Business School subscribes to several academic online databases like EBSCO and Emerald Management Xtra, which are the storehouses of around 3000 leading journals in all areas of management. IBS also subscribes to industry databases like the World Development Indicators, and the CMIE's databases Prowess/Accord. In addition, IBS also subscribes to business and research oriented online databases like Reuters Business Insights and Marketline.

Strong Industry Interface

IBS has a strong, active and growing interface with business and industry, with experts from a range of leading companies delivering regular guest lectures, and serving as members of various advisory boards.

SUMMER INTERNSHIP Program

ICFAI Business School is unique in its approach towards practical training. IBS designed Summer Internship Program (SIP) for 10-14 weeks and integrated it into the curriculum. IBS felt that this approach was necessary as most of the students joining a management program in India have no work experience and therefore limited exposure to the corporate environment through SIP would make them better equipped to take on the real-life business challenges.

Unlike most other B-Schools, SIP is an integral part of the curriculum at IBS with close supervision from the faculty. SIP was institutionalized as a very important process that provided a platform for the students to tackle real-life projects. The 10-14 weeks format, gave enough scope for the students to learn more by taking and completing a meaningful, value-added project for the company. SIP emphasized rigorous faculty monitoring system ensuring that the projects are done by the students to the satisfaction of the senior management of the company. Such efforts have strengthened IBS' relationship with the industry and paved the way for pre-placement offers.

MENTORSHIP PROGRAM

IBS offers a mentorship program to students, both by Faculty and Alumni members. The faculty members mentor students throughout the program. The Faculty and Alumni Mentors advise them on academics, picking suitable electives to advance their careers, enhance their education and build their networks. Faculty members meet students once a fortnight.

SCHOLARSHIPS & STUDENT ASSISTANTSHIPS

Admission Scholarships

IBS offers scholarships to top performers of

IBSAT 2025

- IBSAT Top Performers
- Physically Challenged
- Wards of Defence & Paramilitary Personnel (In-service & Retired)
- Wards of IBS Alumni

Student Assistantships

IBS offers Digital Marketing Assistantships with stipend to students who have flair for digital and social media.

RESOURCES

Academic Infrastructure

Lecture theatres and classrooms are designed to facilitate the case pedagogy that IBS has adopted. All lecture theatres and classrooms are networked, Wi-Fi enabled, equipped with interactive smart boards along with audio visual tools to enhance the teaching / learning experience.

Faculty Resources

The campus has a large and well qualified faculty pool comprising of mostly doctorates with rich industry experience. The faculty members are involved in research, case development, executive development programs and consultancy.

Computing Facilities

IBS Campuses are equipped with latest state-of-the-art technology of computer network with high speed internet bandwidth varying from 500 MBPS to 6 GBPS. The network is secured with next generation firewalls. All the campuses have exclusive subscription of Microsoft products like, Windows 11, MS Office, SQL Server, Anti-Virus etc. Teaching Labs are licensed with SAP, SPSS, SAS. Bloomberg Terminals installed to provide latest data, analytics, news and updates on Financial Markets. The latest addition to these Labs is Artificial Intelligence Lab which will enable students to have hands-on experience on AI.

Library Facilities

The N J Yasaswy Memorial Library with a built-up area of 50,500 Sq. ft. is equipped with latest software packages and large collections of books, CDs, videos, Indian and International journals; magazines and research reports, relating to management and allied subjects. IBS subscribes to several academic online databases like EBSCO business source complete, Econlit, Science and Technology, Emerald management extra, Science Direct (Business Management, Econometrics, Economics and Finance), ProQuest, JSTOR, Annual Reviews (Science and Technology), J-gate (Science and Technology) and Cabells directory; industry databases like CMIE (including Prowess, CapEx, Economic Outlook and Industry Analysis Survey) and Capitaline and business and research oriented online databases like Marketline, Prime Data Base and EPWRF Data Sets. The library is fully supported by the IT infrastructure

Hostels

Hostel facilities are available to all MBA students at IBS Hyderabad and IBS Jaipur. At all other IBS campuses, accommodation is provided by service providers.

Sports & Recreation Facilities

Sports play a vital role in all-round development of students. A wide range of indoor games like Squash, Badminton, Carrom, Chess etc., and outdoor games like Cricket, Football, Volleyball, Basketball, Tennis etc., are available. A dedicated Gym facility is available at all Campuses.

Health Centre

IBS Hyderabad has a clinic in the campus with doctors and paramedical support staff. At all other IBS campuses, doctor along with their staff will work for two days at the campuses. In case of medical emergencies the students are taken to the nearest leading corporate hospitals.

Bloomberg Terminals

IBS is one of the few B Schools in the country to have a dedicated Bloomberg Lab with multiple terminals. Sitting on the desks of 350,000 of the world's most influential decision-makers, *Bloomberg Terminal* is an essential tool for success in financial markets. It connects market participants to ground-breaking real-time global data, Industry and Company-wise analytics, latest information about global markets. The use of Bloomberg terminals has revolutionized the role of analysts in any industry.

As a subscriber, students of any of the IBS campuses can access the Bloomberg Terminals and work on data and trading tools from any internet-connected PC or mobile device. They can complete globally accepted BMC, ESG and Finance Fundamentals certifications to enhance their job prospects.

Through hands-on learning on the Bloomberg terminal students develop analytical skills, explore data and learn real-life skills through not only live sessions in Bloomberg Lab but also through group projects in Finance Electives. In the process they gain expertise to use critical analytical functions that are built-in the terminal, to conduct economic research and analysis using a wide range of pre-built and existing analytical models, and learn how to build and manage Portfolios of Equities, Mutual funds and Commodities.

IBS students participate in global online competitions held by Bloomberg and get unlimited access to their Reports and training videos. It truly provides finance specialization students with a cutting edge skill set to be hired by top corporates.

STUDENT CLUBS

Student clubs form a unique combination of co-curricular and extra-curricular activities, which help in shaping the knowledge and overall personality of a student and management courses that the students study.

The student community at IBS is truly diverse. Students come from different states, social and cultural backgrounds, and all walks of life. They become a part of the IBS community, and get an unparalleled exposure to different cultures, languages, and ways of living. There are several student clubs at IBS campuses, which are managed by IBS students themselves and cater to all segments of life. Each student body (be it a club, chapter, committee, cell or society) has the club members who are the primary stakeholders to manage it. Each student body has a Faculty Mentor and Coordinator-Student Activities, to help and guide them, when needed. Student clubs form a unique combination of co-curricular and extra-curricular activities, which help in shaping the knowledge and overall personality of a student and management courses that the students study.

Throughout the academic year, various clubs conduct numerous events and encourage participation in competitions.

A conscious thought goes into the classification of the clubs; for example, we have domain-specific clubs, such as the Finance club, HR and Leadership Club, Marketing Club, IT and Operations. Domain-specific clubs focus on domain-specific skill development. Some clubs are multidisciplinary, like the Consulting Club, where the students, with the help of a faculty mentor, take up live projects from the industry and execute and deliver these projects to the corporates free of cost. Through this, students get to learn by doing.

The Data Analytics Club, which is also multidisciplinary, wherein the students learn the latest trends in Data Analytics. Students learn data modeling tools and take part in interactive quizzes. Entrepreneurship Cell is another multidisciplinary club; students interested in taking up entrepreneurship as a career or in the future participate in this club. This club brings successful young entrepreneurs to the institute and facilitates student interaction. The domain and multidisciplinary clubs are curriculum clubs related explicitly to the management courses that the students study. In addition, there are extracurricular clubs that help in the holistic development of the students.

CASE-BASED LEARNING

IBS is one of the few institutions in India that has made case studies a critical component of its curriculum.

Almost all the courses at IBS are taught through case studies - the case studies being tailor-made to the requirements of different areas and topics. Student evaluation is based on class participation and written reports. Students go through the cases individually, discuss in small groups and participate in the case discussion in the class. Both Indian and international case studies are used extensively.

IBS, Hyderabad has an in-house Case Research Center that develops case studies on contemporary topics. These case studies based on Indian and International organizations are used extensively in the programs at IBS Campuses. IBS case studies have won recognition at various international case writing competitions. Close to 300 case studies from the Case Research Center have featured in international textbooks like *Crafting & Executing Strategy: The Quest for Competitive Advantage: Concepts and Cases*, 21st Edition (McGraw-Hill Education), *Strategy: An International Perspective* (Cengage Learning, USA), *International Management: Managing Across Borders and Cultures, Text and Cases*, 9th Edition (Pearson, USA), *Exploring Corporate Strategy* (Financial Times/Prentice-Hall), *Strategic Management* (Thomson Learning), *Strategic Management: A Casebook* (Ivey Publishing), *International Business* (McGraw-Hill Irwin), *Strategic Management Competitiveness and Globalization: Concepts and Cases* (Thomson Southwestern), *Strategy: An International Perspective* (Cengage Learning - Europe, Middle East & Africa [EMEA]).

In addition, IBS Hyderabad has a licensing arrangement with Harvard Business School Publishing to use HBS cases which are also shared with all IBS Campuses.

Ph.D Program in Management

(Full Time & for Working Executives)

IBS Hyderabad offers full-time Ph.D in Management Program with specializations in Marketing, Finance, Operations and HR; and Ph.D in Economics Program, separately. The full-time Ph.D Programs are designed for students interested in management teaching, research, and consultancy.

Program Structure

The program has five phases and can be completed in four years.

- ▶ Course Work, Research Projects and Workshops
- ▶ Ph.D Qualifying Examination
- ▶ Progress Seminars
- ▶ Thesis Proposal
- ▶ Thesis Work

The objective of the coursework is to impart scholarship and to equip the student with the latest developments in the discipline, including the tools of research. In the first year the student takes 8 courses. They consist of Seminar Courses, Inter-disciplinary Courses, and Research Methods. The course work paves the way to develop Doctoral Thesis Work. The performance of the students in each stage is assessed by means of continuous evaluation throughout the semesters.

Candidates who don't possess an MBA degree, but possessing PG in any allied disciplines, have to attend first year MBA courses as a prerequisite to proceed to the Ph.D Program.

Features of the Program Associateship

During the program, the students will be associated with senior faculty members who are engaged in teaching, research, consultancy, and institutional development.

Summer Research Project

Students will do a 3-month summer research project in their area of specialization under the guidance of a mentor and will present a research seminar before he/she takes the Ph.D qualifying exam. The objective of this is to ensure that the student is exposed to research writing leading to a future publication.

Visiting Scholar Program (VSP)

After successful completion of Ph.D qualifying examination, in the third year of the program the students are eligible to spend 5 months abroad under the Visiting Scholar Program (VSP) on self-supported basis. The main objective of the VSP is to make sure that these candidates get exposure to the teaching and research environment in an international context. The universities with which IBS has tied up are:

- ▶ McCallum Graduate School of Business, Bentley University, Waltham, MA, USA
- ▶ Martin J. Whitman School of Management, Syracuse University, Syracuse, New York, USA
- ▶ Macquarie University, Sydney, Australia
- ▶ The College of Business Administration, University of Toledo, Toledo, Ohio, USA
- ▶ University of Memphis, Tennessee, USA
- ▶ Spears School of Business, Oklahoma State University, USA
- ▶ Flinders University, Australia

Fellowship / Stipend for Full-time Ph.D. Program

All students admitted into the Full-time Ph.D program will be given a fellowship of ₹ 25,000 (Rupees Twenty Five Thousand only) per month and free accommodation in the first year only.

After passing the Ph.D qualifying examination, the students will be paid a fellowship of ₹ 35,000 (Rupees Thirty-Five Thousand only) till the student defends the thesis proposal.

Stipend of ₹ 40,000 (Rupees Forty Thousand only) per month will be paid to the student, after successful defense of thesis proposal and up to the completion of four years of Ph.D Program or completion of Ph.D Thesis, whichever is earlier.

In lieu of this fellowship, the students may be required to provide support for teaching / research / administrative activities of the University for up to 10 hours a week.

A professional development grant of ₹ 20,000 per annum is also provided to the students for the four years, for attending conferences, workshops and seminars. On successful defense of the Ph.D thesis by the students, they can pursue their career in any organization of their choice. However, such candidates may also opt to apply to IFHE or any of its sponsor/ constituent/affiliate/associate organizations and their request may be considered for a position of faculty at a

suitable pay package, under a separate offer of appointment based on their educational background, performance in the Ph.D Program and availability of vacancies.

In the event, the student withdraws from the program, the student is liable to refund the stipend and the program fee provided as financial assistance by IBS.

Working Executives Ph.D. Program in Management

IBS Hyderabad offers Ph.D Program for working executives in Management with specializations in Marketing, Finance, Operations and HR. The Part-time Ph.D Program in Management is designed for practicing corporate executives, faculty members & research scholars who are aspiring to become thought leaders in the domain of academic research.

Ph.D program for working executives works in a similar manner as the full-time program. The course work is completed over a period of two years and the candidate is expected to make eight visits to campus for 9 days each in a quarter during the first two years. The process of Qualifying Examination, Thesis Proposal and Thesis Defense are the same as the Full-time Ph.D Program.

Case-Based Learning@ IBS Hyderabad

"I would like to congratulate ICMR on the excellent selection of cases available for students, professors and authors. The selection encompasses cases with a range of geographic locations, business topics, and cultural issues. I have been particularly pleased with the willingness of the ICMR case authors to update and tailor cases to my needs."

– Helen Deresky, Professor Emerita, State University of New York, Plattsburgh, NY; Author of International Management: Managing Across Borders and Cultures, 7ed. (Upper Saddle River, NJ: Prentice Hall, 2011).

Almost all the courses at IBS are taught through case studies - the case studies being tailor-made to the requirements of different areas and topics. Student evaluation is based on class participation and written reports. Students go through the cases individually, discuss in small groups and participate in the case discussion in the class. Both Indian and international case studies are used extensively.

IBS, Hyderabad has an in-house Case Research Center that develops case studies on contemporary topics. These case studies based on Indian and International organizations are used extensively in the programs at IBS Hyderabad. IBS case studies have won recognition at various international case writing competitions. Close to 300 case studies from the Case Research Center have featured in international textbooks like *Crafting & Executing Strategy: The Quest for Competitive Advantage: Concepts and Cases, 21st Edition* (McGraw-Hill Education), *Strategy: An International Perspective* (Cengage Learning, USA), *International Management: Managing Across Borders and Cultures, Text and Cases, 9th Edition* (Pearson, USA), *Exploring Corporate Strategy* (Financial Times/Prentice-Hall), *Strategic Management* (Thomson Learning), *Strategic Management: A Casebook* (Ivey Publishing), *International Business* (McGraw-Hill Irwin), *Strategic Management Competitiveness and Globalization: Concepts and Cases* (Thomson Southwestern), *Strategy: An International Perspective* (Cengage Learning - Europe, Middle East & Africa [EMEA]).

In addition, IBS Hyderabad has a licensing arrangement with Harvard Business School Publishing to use HBS cases.

Research & Publications

The Case Research Center (CRC) is a center of excellence at IBS, Hyderabad developing high quality internationally benchmarked case studies. The case studies are marketed under two brands – IBS Center for Management Research (ICMR) and IBS Case Development Center (IBSCDC). A dedicated and dynamic team works toward fulfilling the institution's mission of developing high quality case studies.

Case Research Center (CRC)

- As of March 2025, IBS CRC has more than 7000 cases, all of which are in digital flipbook format. More than 1000 B-schools from over 90 countries use the CRC cases, with about 90% of them from outside India (mostly from North America and Europe).
- IBS CRC has eight of its authors featuring in The Case Centre's (UK-based world's largest repository of case studies) Top 50 Bestselling Case Authors' List for 2023-24. Among the Top 10 bestselling authors in the world, six are from IBS-CRC. Other authors in the Top 50 list include professors from Harvard, INSEAD, IMD, Stanford, etc. CRC ranks second in the world for two consecutive years (2023, 2024) next only to Harvard Business School, in The Case Centre Impact Index 2024 which ranks organizations based on the global reach and impact of their case writing.
- IBS cases have been published by Ivey Publishing at Western University, Canada; WDI Publishing at the University of Michigan, USA; China Europe International Business School (CEIBS), China; and Harvard Business Publishing, USA. IBS cases have also been published in reputed case journals such as Emerging Markets Case Studies and The CASE Journal.

CRC distributes its case studies through the two websites :
www.icmrindia.org and www.ibscdc.org

Careers & Placements

IBS has a consistent and impressive track record of placements, with top companies visiting its nine campuses every year to recruit students. A dedicated Career Management Centre drives this success, planning and implementing placement-related activities in a systematic manner throughout the year.

Career Management Centre (CMC)

The Career Management Centre functions under the overall guidance of a Director, supported by a team of experienced managers and executives.

Every year, CMC professionals engage with over 1,000 leading companies across the country, building and sustaining strong industry relationships. These interactions help the team offer effective career planning support to students while enhancing placement opportunities and strengthening corporate networks. Over the years, there has been a steady rise in both compensation packages and the number of companies recruiting from IBS.

Key Activities of CMC:

- Organising pre-placement talks and workshops to build a strong foundation
- Conducting personality development sessions
- Providing individual career counselling to students

Internships

The Summer Internship Program (SIP) blends academic learning with practical industry exposure, giving students hands-on experience across various roles and sectors. SIP also allows students to build valuable networks with potential employers and gain insights into real-world work environments.

Strong Industry Interface

The Career Management Centre (CMC) regularly organises industry interaction programs featuring professionals from diverse sectors and functional areas such as Financial Services, Marketing, Human Resource Management, Operations, and Information Technology. These sessions provide students with valuable exposure to real-world business practices and expectations. In addition, a series of professional development seminars — conducted in collaboration with industry experts — further strengthen student readiness and contribute to consistent and successful job placements

Placements – Class of 2025

The placement status for the Class of 2025 is given below. More than 180+ leading recruiters participated in the campus placement process. IBS students are groomed to be well-rounded professionals, and the strong placement record stands as a clear testimony to this.

IBS HYDERABAD ALUMNI

IBS, Hyderabad has a growing alumni base of around 22,450 who are currently pursuing fast track careers with 1000 plus companies in India and abroad. Their success in the corporate arena is an eloquent testimony to their skills, abilities and hard work, as well as to the quality and rigor of business education at IBS. This extensive and fast growing alumni network is one of the strengths of IBS.

In addition to building the reputation of IBS with their success, the alumni remain in touch with each other and with their alma mater through the IBS Alumni Federation (IBSAF). IBS alumni are pursuing careers in the corporate world in various locations in Asia-Pacific, Australia, USA, Europe and Middle East.

IBSAF facilitates networking among alumni by organizing alumni reunions, class-meets and other related activities. It also assists alumni in lateral career movement and career development. IBSAF also creates opportunities for alumni to interact with current IBS Students.

Bangalore

The Campus

The ICFAI Business School (IBS) Bangalore has remained an attractive destination for thousands of students from different parts of the country seeking a rich and rewarding experience. With a state-of-the-art campus off Mysore Road in Southwest Bangalore, the institute has excellent facilities for academic enrichment, professional development, and sports.

In its vicinity, students have a lot of choices for housing depending on their preferences. A multi-speciality hospital, retail outlets, and restaurants near the campus are conveniences that the students value. The proximity of campus to NICE Road, an expressway, and the Namma Metro provide fast connections to the city's heart and beyond.

The inside of the campus is architecturally designed to take the shape of a loop. The spacious classrooms facilitate interaction between the students and the faculty. When not in class, the students meet in the food court over a quick snack or a leisurely lunch.

The library has an extensive collection of periodicals, journals, and various books to support academic activity, including research. A health clinic with a doctor on duty remains open for faculty, staff, and students during working hours.

Bengaluru, home to the IT services industry, is the pride of India and a flourishing base for innovative start-ups. IBS benefits from access to a large pool of entrepreneurs and corporate professionals in the city. Students are happy to start their careers in Bengaluru, where abundant opportunities and dynamism co-exist.

The ICFAI Foundation for Higher Education

The ICFAI Foundation for Higher Education (IFHE) has been permitted by the Ministry of Education, Govt. of India to start an Off-Campus Center at Bengaluru, Karnataka. The ICFAI Business School (IBS), Bengaluru, a constituent of IFHE, offers the BBA/MBA/Ph.D Programs.

The ICFAI Foundation for Higher Education is declared as a deemed-to-be-University established under section 3 of UGC Act, 1956. It has evolved a comprehensive studentcentric learning approach consisting of several stages, designed to add significant value to the learner's understanding in an integrated manner, covering relevant knowledge, practical skills and positive attitudes.

Gurgaon

The Campus

IBS Gurgaon is situated in the heart of the corporate hub with lush green ambience. The institute follows a holistic approach to business education with a vision of creating a new cadre of management professionals with a sense of ethics and social responsibility, who can make a mark in this highly competitive business environment.

All classrooms are well equipped with state-of-the-art technology to facilitate the learning process. A Wi-Fi campus enables access to the information inside and outside the classroom, making teaching learning a more fruitful and enjoyable exercise. The fully automated Library is the powerhouse of knowledge and prides itself in housing more than 36,000 volumes reflecting the research and teaching interests of the faculty and the students. It also provides unique assistance like company wise updates on business news, sharing company profiles with the students during the placement period, maintaining students' project reports etc. It also posts important articles and news to the faculty regularly which subsequently become topics of rich discussions in the classroom, to add on to the domain learning. The computer centre is fully equipped to assist students in all kinds of IT trainings, advance excel classes and to conduct

aptitude and psychometric tests. Apart from the library, the computer lab is another favourite hangout for the students for research and study. Computer Lab also holds the various online tests for the organizations which come to the campus for hiring. The campus has a Language Lab which aims to enable students with better communication skills. The students are provided appropriate resource material, proper guidance and mentoring sessions by trained Soft Skills Trainers. This improves the students' overall confidence, especially with respect to language delivery, making them more employable. IBS strongly believes in linking management education to environment. To make this possible, the campus provides a plethora of opportunities to the students to hone their skills, even outside the classroom. IBS Gurgaon takes pride in its diverse and dedicated faculty, who are not only teachers but mentors to the students. They

come from varied industry and academic backgrounds and carry with them rich experience, which makes learning more comprehensive for the students. A special emphasis is laid on Soft Skills which is a full credit course. The focus of the subject is to expose the student to business etiquette, leadership skills, networking, negotiation, team work and much more. These classes not only prepare students for Group Discussions and Personal Interviews, but also work with them on building their resume. Under the Practicing Managers initiative, we partner with senior corporates leaders from the best of organizations to deliver a few curriculum sessions to the students. These leaders bring their experience on the subject to the classroom and give students the industry perspective, bridging the gap between the theory & practice in the process.

Apart from the regular classes, projects and activities, the students are given special 'requirement specific' classes, advance excel classes, aptitude and psychometric classes, certification programs in digital marketing and market research etc., among the other initiatives. Weekly IBS Monitoring Placement Advisory Counselling and Training classes are held for students, where students interact with a domain faculty, a soft skills faculty and a placement Manager to enhance their employability further. IBS Gurgaon understands its role as a bridge between the future managers and the corporates. Therefore, utmost importance is given to make the students as job ready as possible.

Gurgaon

IBS Gurgaon leaves no stone unturned to prepare the students for the industry and make them placement ready. The institute believe that it is very important to understand the recruiters' perspective to be able to prepare the management aspirants to fulfil the organizational needs.

The campus has a dedicated placement team which stays in touch with the corporates all the year round, not only for placements but for various activities that help to meet the recruiter's expectations. We try to understand the requirements of the recruiters, as well as their challenges to make the new recruits ready to deliver. We also invite recruiters to be partners with us in as many ways as possible, through our Practicing Managers initiative, MOUs, Joint Certification Programs, Summer Internships, Mock Interviews, Guest Lectures, Alumni Interaction and more.

The campus also has a team of dedicated counsellors who identify students that need an extra push in the areas of communication, business etiquettes, attitude or confidence. These students are mentored one on one to help them overcome their respective areas of concern. Students are trained in Aptitude Tests, Advanced Excel and Psychometric tests for that extra edge.

"The highest education is that which does not merely give us information, but makes our life in harmony with all existence."
Rabindranath Tagore

ICFAI Business School, Mumbai believe in a holistic education for our students and nurture them with vital skills, knowledge and qualities needed to get ahead in this increasingly globalized and competitive corporate world. In addition to the excellent academic delivery, IBS Mumbai offers unparalleled infrastructure to our students.

The institute strive to transform the students to leaders of tomorrow by providing them interaction and mentoring opportunities with the faculty, industry experts and the distinguished alumni, each of whom has rich and vast industry and teaching experience

ICFAI Business School campus covers an enormous space of 150,000 sq.ft. spanning

over 4 floors in the prestigious knowledge park. The campus houses 30 learning halls with state-of-the-art learning aids like smart boards, AV facility and Wi-Fi to enable an enriching learning experience for the students. It also has a fully equipped conference room for MDPs and Seminars. The pride of IBS Mumbai's campus is its 500 seater fully air-conditioned auditorium. Well-designed faculty cabins, syndicate and break out rooms facilitate out-of-class interaction and small group activities. The key architectural feature of the building is its elegant atrium which is used for student activities and team exercises. There are separate common rooms for boys and girls and a 350 sq.ft room for student council activities. We encourage our students to get involved in indoor and outdoor games. For those students who are absolute fitness enthusiasts, we have a proposed 1500 Sq. ft. of well-equipped gymnasium.

The Campus

IBS Pune is a premier destination in the field of management. Located in the bustling city of Pune, this institute of excellence has been setting milestones in academics and placements. With a unique teacher-taught ambiance, the institute aids in fostering leadership skills among our students who embark on a lifelong journey of self-discovery and learning by initiative in an atmosphere which is positively demanding as well as intensely competitive. The City of Pune has made its mark as 'The Oxford of the East'. Pune has come to be known for its pleasant weather and plentiful cultural diversions. Not just that, Pune has a growing industrial hub, with hundreds of multinational IT, Engineering and Auto companies sprouting in and around the city. Over the years, the city has attracted cohorts of young students from every state of the country and professional expats from all over the world. Pune has been ranked as one of the most livable cities in India several times.

IBS Pune, located in the fastest growing business hub of Pune is housed in a modern 40,000 square feet fully air-conditioned building. It comprises 12 large digitally equipped smart classrooms, auditorium, conference hall, spacious and modern dining space, student lounge, etc. The library is a major learning resource centre which is used extensively by the students - its collection includes some of the finest books on management and leadership, newspapers and journals which fill the students with enthusiasm and zest for reading and exploring in their own areas of interest. It has a rich collection of 15000+ books and also subscribes to leading academic online databases such as EBSCO, Emerald etc, and the storehouse for 3000+ leading global journals in all areas of management. The computer lab is equipped with powerful servers and multiple terminals with the latest software applications and competent technical assistance so that students can carry out productive research work and have constant access to information to facilitate their learning and growth. High speed internet through Wi-Fi is available to the students on campus which empowers them to learn without any barriers.

The spacious, well-lit and well ventilated lecture halls in IBS Pune foster the perfect ambience for learning and igniting enthusiasm & drive in the minds of the students and inspire them to learn and grow. The classrooms are equipped with audio-visual aids and smart boards to enable hybrid learning and enhance the learning further to make it more interesting. IBS Pune believes in bringing about holistic development of the students and therefore lays stress on physical fitness too. The gymnasium in campus is fully operational and furnished with state-of-the-art equipment. To provide the best in the class sporting facility to the students, there is a Sports Room for Indoor activities such as Carroms, Chess, table tennis, etc.

ICFAI Business School Alumni – A Growing Fraternity

IBS has a growing alumni base of around 75,000 who are currently pursuing fast track careers with 1,000 plus companies in India and abroad. Their success in the corporate arena is an eloquent testimony to their skills, abilities and hard work, as well as to the quality and rigor of business education at IBS. This extensive and fast-growing alumni network is one of the strengths of IBS. In addition to building the reputation of IBS with their success, the alumni remain in touch with each other and with their alma mater through the IBS Alumni Federation (IBSAF). IBS alumni are pursuing careers in the corporate world in various locations in Asia-Pacific, Australia, USA, Europe and Middle East. IBSAF facilitates networking among alumni by organizing alumni reunions, class-meets and other related activities. It also assists alumni in lateral career movement and career development. IBSAF also creates opportunities for alumni to interact with current IBS students.
