INFRASTRUCTURE @UNITED

“HOME IS NOT WHERE YOU LIVE, BUT WHERE THEY UNDERSTAND YOU

200
ACRES LUSH GREEN CAMPUS

2300
LATEST PCs. ON NETWORK

3000⁺
STUDENT ACCOMMODATED IN SIX HOSTELS

230000⁺
BOOK, MAGAZINE & JOURNALS

United's Awe-inspiring infra-structure provides the students with an excellent environment to pursue their academic passion and for outstanding academic delivery. The campuses span more than 200 acres comprising lush green lawns dotted with hi-tech laboratories and modern buildings. The campus offers a fusion of environment, resources and support to maximize the quality of the student experience.

The spacious lecture halls, e-class rooms, Conference Halls, Induction Halls, Auditorium, Meeting rooms are well equipped with all latest gazettes, viz; ceiling mounted LCD Projectors, OHPs, Slide Projectors and other Audio-visual equipments providing environment conducive for teaching and learning. United takes pride in its advanced and state-of-the-art laboratories which assist the students to supplement theoretical knowledge with practical skills.

The Libraries boast of a mammoth collection of more than 2,30,000 titles/books, magazines and journals. Book bank facility is also provided to each and every student. The students and faculty also have the access to the IEEE & IEE digital library through which they can access more than 400 International Journals and Periodicals.

We at United understand you and constantly strive to ensure the comfort of home at our place. We offer separate accommodations for boys & girls amidst an environment that stimulates learning and provides ample scope for recreation.

Also services like Food courts, gymnasium, wi-fi, sports complexes, banks, hospitals create vibrant environment in our campuses, thus making it a second home for the students.

CAMPUS BUZZ

Academics form just one facet of the life at United. We encourage the students to nurture their lives outside classrooms as well. A significant part of the student's year encompasses coordinating and participating in the abundant cultural activities. We believe that being involved in organising such events imbibes a healthy will of competition and cultivates team spirit. Events ranging from quizzes, debates, dance, writing, drama, music and literary activities hone an individual and ample platform is provided to showcase their flair.

FOUNDER'S DAY

Every year the United Group of Institutions celebrates its 'Founder's Day' on 13th April to pay a tribute and homage to and to commemorate the achievements of its Founder, Late Shri Shiv Ram Das Gulati. World-acclaimed and renowned personalities from different sectors are invited to cherish the moments of celebration. Well known celebrities like KK, Badshah, Amit Trivedi, Mr. Shiv Khera, Mr. Chetan Bhagat, Dr. Palash Sen (EUPHORIA), Ms. Shalmali Kholgade (Film Fare Wining Playback Singer), Aditi Singh, Indian ocean and many more have graced our campus in this occasion over the years.

ZEST & Lakshya

An Invigorating Initiative by United Group of Institutions, is a very popular inter school competition organized by United where students from 15-20 top schools of the state participate in three different events – Vartalap (Group Discussion), Prastuti (Ppt. Presentation) and Grill (Quiz).

CLUBS & SOCIETIES

United offers plenty of club and societies to polish the specific skills and the interest of the students. The student association at United offers various such clubs like 'ELECTRUM' which is the Electrical and Electronics society, the CS & IT society, Mechanical society, HR club and the Finance club. Non academic oriented clubs like SPIC-MACAY and Fine Arts society is also on the verge of introduction.

TECHFESTS

To exhibit the technical aptitude of our budding engineers, an informative exposition is organized every year. It started with UNITECHFEST; an annual festival extravaganza organized at UNITED. In the subsequent years of roaring success of such FESTS, ENIGMA takes the cue which is not just a technical event but a platform bringing together ingenious minds that can showcase their exuberant talents. Valuable feedbacks are obtained from the academicians who grace the occasion. This facilitates them to delve into the concepts and theories even further thus grasping the in-depth details about the dynamics of their projects.

SPORTS MEET

Starting a new tradition, United hosted a sports meet this year inviting over 14 different colleges from around allahabad. The sports meet was conducted in 2 days with athletic events like track running, shot put discuss, javelin and tug of war and sporting events like football, basketball and volleyball.

The response was overwhelming with over 700 participants in total from all colleges. This marked the first of many sports and athletics meet to come in the future.

Unitian's endeavor for perfection does not end at the completion of course. It is ensured that every student is well settled once he/she is out of the institute. Hence training & placement process is given paramount importance in UGI as Corporate Relation Center of UGI believes and projects that beyond the scholastic achievement, other auxiliary factors such as communication skill, diction, vocabulary and aptitude are the ingredients for successful placements.

TOP PLACEMENT in PSUs (IOC, Powergrid, NTPC, SAIL, etc.) through GATE and other related examinations

CURRENT PLACEMENTS - BATCH 2017

VERBAL ABILITY PROGRAM (VAP)

'Verbal Ability Program' (VAP) is another unique feature of UGI which gets motivation from the alarmingly need of improvement in English Proficiency/Communication and Aptitude along with the other Soft Skills, which often limit students' chances of landing a job. The passionate team of experienced faculty members at United makes the students work upon their Intelligence Quotient (IQ) covering Numerical, Analytical and Reasoning skills along with English Proficiency and also their Emotional Quotient (EQ) covering their Attitude, Communication, Interpersonal and decision-making skills etc.

CAMPUS RECRUITMENT TRAINING (CRT)

Campus Recruitment Training (CRT), a significant training lead by outsourced professional trainers is the obvious solution to unlock students' verbal, numerical, analytical and logical skills. CRT@UGI is very effective tool for empowering especially the final year students with the 'Attitude' and 'Ethics' and making them ready to face the interviews for various in-campus and off-campus drives.

Technical Training (TT)

Another new practice for 3rd year students is free of cost In-campus 'Technical/Industrial Trainings' for different streams/branches lead by outsourced trainers having industry experience and pulse of Corporate World and who can deliver their corporate experiences, share inside secrets and tips on the business world, explain what is not covered in theory and how to apply theory in real life:

EMPLOYABILITY SKILL ENHANCEMENT PROGRAM

ESEP @UNITED

Under the wide umbrella of ESEP, UGI offers its students a set of 'transferable skills' that are not specific to one particular career path but are generic across all employment sectors. UGI knows the current market trend & its needs and also its students' interests & potential. With this understanding and emphasis upon a mix of skills required, ESEP@UGI offers all the in-campus opportunities to the career seekers of United:

1. GATE WAY to 'GATE'
2. Verbal Ability Program (VAP)
3. Campus Recruitment Training (CRT)
4. Technical Trainings (TT)

GATE WAY TO GATE@UGI

GATEWAY TO 'GATE' is United's revolutionary trend of mentoring for GATE (Graduate Aptitude Test in Engineering) preparation, which is one of the biggest and the most prestigious exam for engineering graduates organized by the Indian Institute of Science, Bangalore along with all the IIT's on behalf of Government of India, NCB (National Coordination Board - GATE), Department of Higher Education and MHRD (Ministry of Human Resources Development). Spread across 6th to 8th Semesters, this spiral model of GATEWAY TO 'GATE' is an ideal preparatory forum initiated by UGI faculty for UGI students, who aim to qualify GATE and go for higher studies or PSUs.

Special Features of GATE WAY TO GATE:

- Making the students aware about the GATE syllabus and exam pattern.
- Through uniform distribution of subjects/topics across the semesters, reducing the burden at the time of examination.
- Making the students available the GATE reference books and study materials.
- Making the students practice and solve previous year' and sample question papers.

START UP CELL

'United Start up Cell' aims to help and support young aspiring entrepreneurs of UGI by nurturing and empowering their new and growing startups so that they coordinate and synergize various strands of excellence, innovation and entrepreneurship.

The startup ecosystem includes faculty & staff members, students, alumni and business partners that can translate knowledge and technological innovations to the societal development and economical growth of the Nation by turning their ideas into action and thereby producing more job creators and social reformists. It is continually extending and expanding its support system as an INVESTOR, as an INCUBATOR, as a CONSULTANT and as an ACCELERATOR.

Innovation Center, UCER, Allahabad

Innovation Center, UCER, Allahabad

Innovation Center, UCER, Gr. Noida

INNOVATION CENTERS@UNITED

Innovation Centers at UGI are newly established units aiming towards nurturing the innovative ideas of scientifically and technologically-driven young minds and encourages UGI scholars for research project/proposal submissions. The prime objective of these Innovation Centers is to explore and enhance the creativity and innovation skills of UGI scholars and to pursue research that not only advances science and technology but also has a societal impact. Students with innovative ideas can approach the innovation centre for guidance and financial support. The Center is equipped with state of the art facilities for research and development. Other facilities required for projects like Internet, Printers, Software, Circuit Components, Fabrication support etc are also provided at the center. Application forms may be obtained from the innovation centre. Interested students may submit their applications along with the detailed proposal in the prescribed format and may get the funding from the institute after the project is approved as per the norms and criteria of the Innovation Center. At its

**M MISSOURI
UNIVERSITY**
Missouri University,
Columbia, USA

United Group of Institutions has academic collaborations with the International Universities/ Institutions, which has provided an umbrella for internationality, innovation, integration, information, technology and industrial partnership to all the bright souls of the group.

Signing up of MoU (Memorandum of Understanding) with Asian Institute of Technology (AIT), Bangkok, Thailand, being the first initiative in this endeavor has opened the doors for Global exposure and Global future of Unitians. More than 400 students have already participated in 'Summer Education Workshop' at AIT and entering into its 6th plan is ready to send good number of identified, talented and technology-driven future leaders from across the UGI in the year 2016. AIT collaboration provides an exchange platform for the students, faculty members with joint research projects, joint cultural programs/projects and joint conferences.

As a next step in this direction, MoU with the Missouri University, Columbia, USA, provides with a framework for a partnership agreement ensuring close cooperation and coordination of efforts concerning training, exchange of experts and scholars, participation in joint conferences etc.

At University of Missouri, 15 Unitians participated in an exclusive 3 week summer program, which provided them exposure to the best of the facilities Missouri University had to offer.

Mr. Anand Kumar
Educationalist, Mathematician

"Everyone knows about the IITs and NITs but there are many other Engineering colleges like United College that also provides world-class education. United is very old and prestigious college of NCR, comes under top 10 rankings and have a very impressive placements record. I Personally know alumni of the college who are doing well in their job and earning laurels for own as well as for their parents."

RESEARCH & DEVELOPMENT

- Formed United College of Engineering & Research Power & Energy Society Student Branch Chapter in the Uttar Pradesh Section on 22-Dec-2016 and the geo-code is SBC13091B.
- International Conference on Innovations in Control, Communication and Information Systems "(ICICCI-2017)" Sponsored by IEEE UP on 12th and 13th August 2017 is a forum for scientists, engineers and researchers to discuss and exchange novel ideas, results, experiences, and work-in-process.
- All India Digital Skill Mission is launched by **Honourable Shri M Venkaiah Naidu** Union Minister of Urban Development, Housing and Urban Poverty Alleviation and Information & Broadcasting. This mission benefits Thousands of Bloggers in the field and also the aspirants who are still figuring out a way to enter and pick it as a career.
- An 8 Day Workshop-cum-faculty development program on Universal Human Values & Professional Ethics (UHVPE) was organized at United Institute of Technology, Allahabad during January 10-17, 2017
- An AKTU Sponsored One Week Faculty Development Program on 'Integrated Circuits: Design and its Application' was organized at ECE Department, United Institute of Technology, Allahabad during July 11-15, 2016.
- An AKTU Sponsored One Week Faculty Development Program on 'Data Structure and Algorithm' was organized at CSE Department, United College of Engineering & Research, Allahabad during /July 4-9, 2016.
- An IEEE Sponsored International Conference of Control, Computing, Communication and Materials (ICCCCM-2016) in association with Asian Institute of Technology, Thailand was organized at United College of Engineering & Research Allahabad during October 21-22, 2016.
- An IEEE Sponsored International Conference of Control, Computing, Communication and Materials (ICCCCM-2013) in association with Asian Institute of Technology, Thailand was organized at United Institute of Technology, Allahabad during August 3-4, 2013.
