MESSAGE FROM THE

CHAIRPERSON

Covid-19 or post – Covid-19, the above lofty dictum would hold true at all times. But the overwhelming reality today is the massive change brought about by the sudden onset of Covid-19 and its impact on institutions and individuals. We, at BIMTECH, I am glad to inform you, we were able to face the challenges posed before us by this Black Swan event successfully.

By the time your batch reports to our campus, we may be on to the latest trend in academic delivery, i.e., blended learning, a fine combination of classroom plus online academic delivery, which is adopted by the world's best universities as well as IIMs and IITs in India.

Change, any change for that matter, is threatening at first, but by studying all about it from the past, consulting peers, experts, and stakeholders, we have been able to arrange the campus life and academic delivery in the best interests of our students. We have also been able to tick all the right boxes whether it be the final placements, summer internships, extra-online certifications required for industry 4.0 solutions from world class institutions or now, admission for the new batch.

Simultaneously, we are proud to have set up new standards of service to the society in times of distress which occurred during the last 16 months through our CSR initiatives rendered by our BIMTECH Foundation & Ranganathan Society for Social Welfare and Library Development (RSSWLD).

I have, indeed, great pleasure in welcoming you, the bright sparks of Batch 2022-24, to our beautiful, ever-happening, verdant campus to work unitedly for the betterment of all our stakeholders and society.

BOARD OF GOVERNORS

MESSAGE FROM THE DIRECTOR

A global pandemic, COVID-19 has ensured that the world would never be the same again. Everybody feels as if we have started experiencing a NEW NORMAL in a NEW WORLD!

Experiences of the last two years have forced us to accept the fact that the challenges of a NEW NORMAL cannot be wished away. As a responsible business school, we have given utmost priority to the lives and well-being of our students, faculty, alumni and staff. In March-April, 2020, we were left with no other option but to adopt and adapt to a sudden shift towards online teaching and learning from the traditional teaching in a physical classroom environment. Within a few weeks, we have trained our faculty, staff, and students to adjust to the requirements of the online learning mode. We could also upgrade our IT infrastructure within a short time to provide the best possible quality hardware and software to the faculty and students community. Crises created by the COVID-19 have been converted by our faculty and staff to make perfect online arrangements for session delivery, feedback, and assessment of students.

We understand that situations like the last two years may persist for a long. Epidemic episodes like COVID-19, natural disasters, and problems related to global warming may continue to disrupt the normal academic life on campuses. Based on the agility, resilience, and courage demonstrated by our faculty, students and staff, we are confident of providing the highest standards of business education to all of you who have been aspiring to join this institute in the 2022-23 academic session.

Looking forward to meeting each one of you personally at our serene and safe campus which is fully COVID-19 compliant and equipped with the required health infrastructure.

With best wishes,

Dr. Harivansh Chaturvedi

Dr. Anupam Varma Dy. Director & Dean (Academics)

THE BIRLA INSTITUTE OF MANAGEMENT TECHNOLOGY (BIMTECH) WAS ESTABLISHED IN 1988 UNDER THE AEGIS OF THE BIRLA ACADEMY OF ART AND CULTURE. LATE BASANT KUMAR BIRLA, EX-CHAIRPERSON OF THE BASANT KUMAR BIRLA GROUP OF COMPANIES AND LATE SARALA BIRLA, WERE THE FOUNDERS OF BIMTECH.

THE INSTITUTE IS GOVERNED BY AN EMINENT BOARD OF GOVERNORS MOSTLY DRAWN FROM THE TOP ECHELONS OF THE INDUSTRY. THE INSTITUTE IS SUPPORTED BY THE BASANT KUMAR BIRLA GROUP AND ADITYA BIRLA GROUP OF COMPANIES.

Two Years Full-Time Post Graduate Diploma Programmes

AICTE Approved

All programmes have MBA Equivalence by Association of Indian Universities (AIU)

All programmes are accredited by National Board of Accreditation (NBA)

- PGDM
- PGDM International Business
- PGDM Insurance Business Management
- PGDM Retail Management

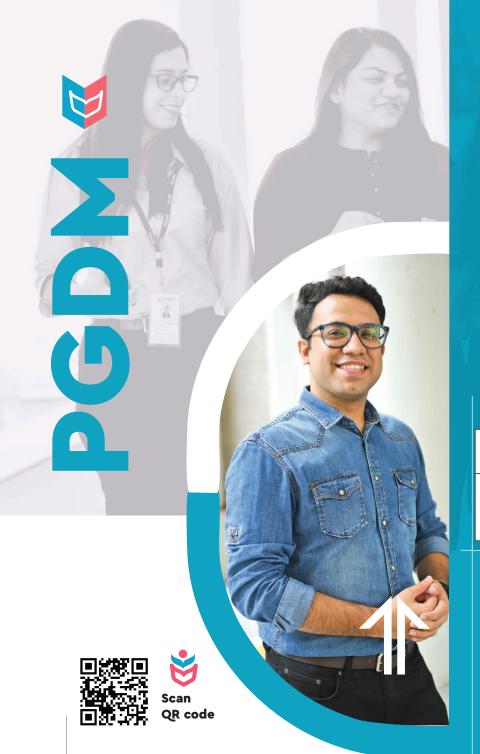

Fellow Programmes

AICTE Approved

- Fellowship Programme in Management (FPM)
- Executive Fellow Programme in Management (EFPM)

BIMTECH undertook several initiatives to enable faculty and students to migrate to online classes

From The Chairperson's Desk

The PGDM program architecture is designed in consultation with Business Leaders and after benchmarking with some of the best known MBA Programs globally.

The rigorous nature of the programme equips the participants with necessary hard and soft skills to eventually excel in the leadership role across different industries globally. Live Projects, Summer Internship Projects, Simulations, provide opportunities to apply the theoretical concepts in the real business scenario. Students are able to understand corporate challenges and culture better through such activities.

Dr. L. RamaniChairperson Business Management Programme l.ramani@bimtech.ac.in

NEW AGE ASPIRATIONS

PGDM

Post Graduate Diploma in Management

THE POST GRADUATE DIPLOMA IN

MANAGEMENT prepares future business leaders for global careers in emerging sectors. The program offers Dual Specialization - Functional Specialization and Business Vertical Specialization.

Functional Specialization provides indepth understanding of the chosen functional area viz Marketing, Finance, Human Resource & Operations.

Business Vertical Specialization makes the participants job ready by providing complete understanding of the chosen vertical in emerging areas as BFSI / IT-ITES / Analytics and Digital Business.

PROGRAMME HIGHLIGHTS

01

Flagship program of the Institute. Dual Specialization – One in Functional Area (Marketing, Finance, HR & Operations) and other in chosen Business Vertical (BFSI/IT-ITES, Digital Business & Analytics).

20% of the course almost in every subject is covered by industry expert. This ensures business practice is brought to class.

Merit based Scholarships for Global Certifications. Additional Training in emerging areas like Blockchain, Power BI, Tableau, Digital HRM.

Program also includes experiential courses on leadership, Enterprise Lab and Personal Branding which are critical to be a successful manager. 05

Harvard Business Publishing Education, Capstone & Markstrat are strategic simulation which gives students the virtual experience of running an organization. The students are exposed to business decision making in a highly competitive environment where future is unpredictable.

The programme provides opportunity to go for industry certification in six sigma from KPMG, marketing research from MRSI, Insolvency & Bankruptcy Code, Financial Modelling & Valuations from Insolvency Professional Agency of Institute of Cost Accountants of India, ECBA from IIBA, other certifications are also offered by NISM, NSE and Indian Institute of Banking.

- International Business Strategy
- Financial Inclusion
- Circular Economy

From The Chairperson's Desk

There is renewed focus of Indian government towards integration with world economy. Policies for making India a major global manufacturing hub have been implemented by the Government. This will create immense opportunities for International Business professionals.

The International Business Programme of BIMTECH has been designed to help students understand the complexities of international business and equip them with requisite knowledge, skills and attitude to deal with these complexities.

Dr. Anuj Sharma

Chairperson International Business Programme anuj.sharma@bimtech.ac.in

NEW AGE ASPIRATIONS

PGDM-IB

Post Graduate Diploma in Management-International Business

IN CURRENT TIMES, GLOBALIZATION OF INDIAN BUSINESS IS HAPPENING RAPIDLY. WITH CHANGES IN GLOBAL GEO-POLITICAL ENVIRONMENT AND FAVOURABLE POLICIES OF INDIAN GOVERNMENT, IMMENSE OPPORTUNITIES HAVE EMERGED FOR CONDUCTING INTERNATIONAL BUSINESS. IN FINANCIAL SERVICES, PHARMACEUTICALS, BEVERAGES, AUTOMOBILES, INFORMATION TECHNOLOGY ETC, INDIAN FIRMS — LARGE AND SMALL ARE WINNING INTERNATIONALLY.

YOU MAY WANT TO STUDY INTERNATIONAL **BUSINESS TO UNDERSTAND THE** DEVELOPMENTS IN THESE FIELDS. THE CHALLENGES IN MANAGING INTERNATIONAL **BUSINESSES AND THE DIFFERENT APPROACHES** TO ACCOMPLISH THEM. YOU MAY ALSO WANT TO STUDY INTERNATIONAL BUSINESS BECAUSE **EMPLOYERS KNOW THAT THEIR FUTURE DEPENDS ON SUCCESS IN THE WORLD ECONOMY AND SO THEY NEED TO RECRUIT** THOSE WHO WILL MAKE THAT HAPPEN. WE STAND ON THE BRINK OF A TECHNOLOGICAL REVOLUTION THAT WILL FUNDAMENTALLY ALTER THE WAY WE LIVE, WORK, AND RELATE TO ONE ANOTHER. IN ITS SCALE, SCOPE AND COMPLEXITY, THE TRANSFORMATION WILL BE **UNLIKE ANYTHING HUMANKIND HAS** EXPERIENCED BEFORE.

PROGRAMME HIGHLIGHTS

Well-designed Course Content and Research Projects.

A well-designed course content covering topics on general management and topics directly related to the understanding and management of international business has been developed. Care has been taken to ensure that it meets the changing industry expectations in providing the relevant knowledge. In the majority of subjects there would be regular research based projects that the students have to do as assignments. These are considered essential with a view to inculcate the aptitude for research and innovation as well as to put the theoretical knowledge of the participants into practice.

Ports Visits

Visits to sea ports, airports, dry ports and inland container depots are arranged to enable the students to have first-hand knowledge of the customs procedures and formalities, the details of export/import documentation, the procedures for cargo handling, warehousing, loading and shipment etc.

Regular Industry Interface

Eminent persons, experts, senior practicing managers in various fields of international business are invited as guest faculty to deliver lectures as well as participate in panel discussions, seminars etc. on regular basis. Seminars on contemporary issues of international business are

also regularly held. Students are also regularly sent to attend important lectures and symposium organized by trade bodies like CII, FICCI etc.

Foreign Language

In international business, knowledge of foreign language becomes a great competitive tool. Students are provided with the opportunity to undergo a two trimester foreign language course in languages such as German, French, and Chinese etc.

International Summer School

Summer School for 2 weeks with our foreign partners has been introduced for IB students which takes place in the month of June.

E- LAB & BUSINESS MODELS is an experiential course launched for PGDM-International Business students in July 2019. It provides opportunity for the students to apply theoretical concepts in real business practice. The course aims to develop critical thinking in participants for problem solving and decision making with entrepreneurial mindset. It helps to develop holistic understanding of the business, integrating the functional areas and give complete understanding of the business environment and future trends as well. It gives students an understanding of how new business

From The Chairperson's Desk

The Insurance Business Management Programme of BIMTECH continues to be the most admired and valued professional course in the insurance and risk management domain offered in India and, therefore, remains the preferred destination for recruiters when it comes to talent acquisition. Among its distinctive features are its strategic partnership with Swiss Re, academic

accreditation with CII-UK; joint Certification in Risk Management with Risk Insurance Management Society (RIMS) USA; association with leading global insurance education providers like LOMA-USA, IIBA (Canada) and close liaison with national and international organizations like Asia -Pacific Risk and Insurance Association (APRIA), The Federation of Afro-Asian Insurers and Reinsurers (FAIR) and Risk Management Association of India (RMAI). The course is also known for its research orientation.

Course on Leadership Lab: LEAD is a pure experiential course aimed to develop students with the necessary leadership skills for a successful career ahead. LEAD will provide an opportunity for every student to experience, develop and hone their leadership skills. The basic premise of this course is 'Learning by Doing'.

Swiss Re

MoU with Swiss Re

BIMTECH signed an MoU with Swiss Re's Global Services Delivery Centre, Bangalore for an exclusive tie-up on Campus Connect in April 2015. The partnership aims to improve the level of professional insurance education in the country and make the insurance students industry-ready. Through this partnership, Swiss Re brings in its unmatched global expertise in reinsurance to BIMTECH, helps in its curriculum build-up, provides access to customized workshops and learning resources. Swiss Re gets opportunities to tap talents from BIMTECH, a pioneer in insurance post-graduate education in India, on a priority basis.

Besides, BIMTECH collaborates with Swiss Re in academic projects, seminars, workshops, webinars, live projects, etc. to promote greater professionalism in insurance education in India. Swiss Re gets representation in the Academic Council of BIMTECH's Programme for Insurance Business Management, which decides on curriculum, campus connects, industry projects, etc. A certification program in Reinsurance is run by Swiss Re where the trainers impart educational inputs on the subject with practical scenarios and case studies to ensure that the students hit the ground running.

Launch of "PG Plus" Programme with, CII-UK

BIMTECH launched a program named "Post Graduate Diploma Plus" for its PGDM-Insurance Business Course students in association with Charted Insurance Institute-

UK on July 2nd, 2015. CII-UK had been collaborating since 2010 in the form of accreditation of its PGDM-Insurance Business Management course. The new arrangement is a step to take the existing relationship to the next level. Under the new arrangement, the students completing the program successfully will achieve dual qualifications: Diploma in Insurance from CII and Post Graduate Diploma in Insurance Business Management from BIMTECH.

This tie-up endorses BIMTECH's commitment to improving professional standards & technical insurance knowledge at a global level.

BIMTECH and Risk and Insurance Management Society (RIMS) signed a Memorandum of Understanding on November 16, 2018, in the BIMTECH Campus to propagate and bolster risk management education in India. A dedicated space in the BIMTECH Library called "RIMS Corner" displays the publications, papers, and Journals of RIMS, which students and visitors could access.

Academic Tie with India Affiliate of Institute of Risk Management (UK)

An MoU was signed with India Affiliate of Institute of Risk Management (UK) in February 2021, whereby BIMTECH will educate its students and alumni members about IRM's global qualifications through seminars, workshops, and social media platforms as a parallel career goal path towards a professional qualification in Enterprise Risk Management. IRM India, grants exemption from IRM's Level 1 examination to all BIMTECH students and alumni members who would pass the BIMTECH course Risk Management (PIN-2103 formerly INS- 201)

NEW AGE ASPIRATIONS

PGDM-RM

BIRLA INSTITUTE OF MANAGEMENT

Post Graduate Diploma in Management-Retail Management

TECHNOLOGY (BIMTECH) WAS A PIONEER IN INTRODUCING THE POST GRADUATE PROFESSIONAL COURSE IN RETAIL MANAGEMENT IN INDIA IN THE YEAR 2002 TO SUPPLY QUALITY MANAGERS, CAPABLE OF SHOULDERING RESPONSIBILITIES IN A HIGHLY **COMPETITIVE RETAIL MARKETING ENVIRONMENT. THE MISSION IS TO TRANSFORM** THE STUDENTS' FUTURE BY CREATING OPPORTUNITIES FOR THEM. THE PROGRAMME IS APPROVED BY THE ALL INDIA COUNCIL FOR TECHNICAL EDUCATION (AICTE, MINISTRY OF EDUCATION, GOVERNMENT OF INDIA) AND IS ALSO ACCREDITED BY THE ASSOCIATION OF INDIAN UNIVERSITIES (AIU) FOR EQUIVALENCE WITH AN MBA. IT IS A TWO YEARS FULL-TIME RESIDENTIAL COURSE THAT PROVIDES IN-DEPTH KNOWLEDGE FOR NOT JUST ALL ASPECTS RELATED TO RETAIL MARKETING BUT ALSO GIVES EXPOSURE TO CORE MANAGEMENT AREAS SUCH AS MARKETING MANAGEMENT, FINANCIAL ACCOUNTING, ORGANIZATIONAL BEHAVIOUR, QUANTITATIVE MANAGEMENT AND ECONOMICS.

From The Chairperson's Desk

The Indian retail industry is one of the fastestgrowing industries in the world. India's retail sector is experiencing exponential growth. Healthy economic growth, changing demographic profile, increasing disposable incomes, urbanisation, changing consumer tastes and preferences are some of the factors

driving the growth of this Industry. Increasing participation from foreign and private players has given a boost to this industry. This has intensified the need for trained retail managerial talent with the requisite knowledge skills and abilities to take up leadership roles in the industry.

Dr. Gagan Katiyar

Chairperson Retail Management Programme gagan.katiyar@bimtech.ac.in

PROGRAMME HIGHLIGHTS

Understanding of both back end and front end operations of the retail industry through industrial visits to different retail formats, warehouses, and factories.

Experiential learning through short term projects during the first year, which allows the student to interact with industry experts and further helps them in attaining the desired summer internships of their choice.

03

On Job Training (USP of Retail Programme) makes students receive first-hand retail experience while pursuing the course.

Mock sessions from industry experts and personality grooming sessions for the students.

05

Get a chance to learn about the concepts of retail pertinent to their chosen field of elective in the retail domain

Industry interaction during classes by experienced academicians & industry experts from the Retail Industry.

Retailia-the Retail Club play a key role in shaping the students learning experience by working in a team and real environment.

COURSE CURRICULUM

Trimester I

- Effective Managerial Communication
- Financial & Managerial Accounting
- Managerial Economics for Retailers
- Marketing Management-I
- Retail Concepts & Environment
- Statistics for Business Analysis
- Supply Chain Management
- Organisational Behaviour & HRM

Trimester II

- Corporate Finance
- Marketing Research
- Marketing Management-II
- MIS & Advance Excel
- Retail Store Management
- Services Marketing

Trimester III

- Inventory & Logistics Mgmt.
- · Mall Management
- Retail Consumer Behaviour
- Sales & Distribution Management
- Visual Merchandising
- Legal Framework for Retail Business
- Responsible Business

Electives: 1 out of 2 with a minimum strength of 15 students

- Integrated Marketing Comm. (Elect.)
- Rural Retailing (Elect.)

Trimester IV

- Buying & Merchandising Management
- Digital Marketing
- Franchising Management
- Industry 4.0
- Applied Communication

Electives: 2 out of 3 with a minimum strength of 15 students

- Customer Relationship Mgmt. (Elect.)
- Retail Analytics (Elect.)
- Retail Luxury (Elect.)

Trimester V

- Category Mgmt. & Private Labels
- ERP for Retail Manager
- Design Thinking
- Global Retailing

Electives: 2 out of 3 with a minimum strength of 15 students Product Brand Management (Elect.) Emerging Technologies in Retail (Elect.) Fashion & Lifestyle (Elect.)

Trimester VI

• Entrepreneurship Mind-Set

All students have to undergo 10-12 weeks of Summer Internship starting from April.

Course on Leadership Lab: LEAD is a pure experiential course aimed to develop students with the necessary leadership skills for a successful career ahead. LEAD will provide an opportunity for every student to experience, develop and hone their leadership skills. The basic premise of this course is 'Learning by Doing'.

Summer Internship

All students have to undergo 10-12 weeks of Summer Internship starting in the industry from 1st April – 30th June followed by a viva-voce. Maximum Two projects would be allowed at a time

It is expected that fieldwork is done with full seriousness to learn cross-sectional problems, challenges, living in remote areas and surviving and adaptation. The report is expected to be more functional and offer an impact value and should not reflect the pure academic thesis work style. Any attempt to make it a literature survey or library work may award zero marks also. If you are failing in the field work assessment, it will reflect in your transcript.

On Job Training (OJT)

The OJT is to enhance student industry interaction so that students can acquire experience of a Retail store which will bridge the gap between academic learning and field learning. This will also help students to gain knowledge and experience on the functioning of a Retail Store in real-time. It is a three (3) credit course, where the training of students is initiated through tie-ups between institute/program and various retail organizations.

Note: Because of Covid 19 restrictions some or all of the OJT may be partly or fully required to be covered up virtually/remotely without an actual field visit. The format and weightage for evaluation shall remain the same but there might be some change in nomenclature from OJT to V-OJT(Virtual OJT)

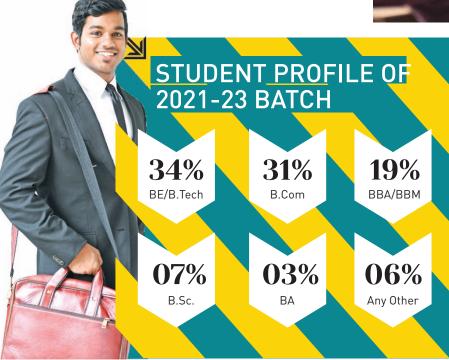

Leadership Experience and Attitude Development: LEAD

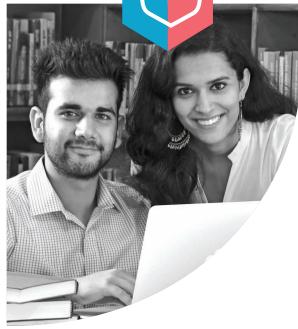

Leadership is the ability to influence a group toward the achievement of goals. This ability is an innate as well as a contingent characteristic which can be groomed and systematized with structured conditioning. It is an incremental influence one individual exerts over another, above and beyond mechanical compliance with routine directives. In the present dynamic business environment, management graduates are expected to take up leadership roles in their career and therefore the companies look for potential future leaders when they recruit a fresh management graduate. Good companies invest a lot in developing talent to take up leadership roles in future. The seeding of this trait can be done through effective conditioning of leadership skills at an early stage. It would be a blessing for companies if they find trained students with such skills as potential leaders in the B School Campus itself. It is for this reason that BIMTECH has taken the initiative to introduce a course named 'Leadership Experience and Attitude Development' (LEAD).

BIMTECH - Retailers Association of India (RAI) Partnership

BIMTECH and Retailers Association of India (RAI), a not for profit organisation, being the unified voice of Indian Retailers have signed an agreement in October 2018. Under this agreement, RAI provides branding and visibility to BIMTECH in its HR Conclave-Manning Modern Retail (MMR) and networking opportunities at RAI's regional event PAN India. It also helps students of BIMTECH to connect with RAI member organizations for student's Summer Internship/Short Term Project/On Job Training/Final placement.

From The Chairperson's Desk

The Centre for Research Studies, through its doctoral programmes, strives towards the mission of developing management faculty as global thought leaders. At the same time the Centre endeavours to transform young researchers into innovative thinkers and solution providers.

Dr. A.V. ShuklaChairperson Centre for Research Studies chairperson.dp@bimtech.ac.in

NEW AGE ASPIRATIONS

FELLOW PROGRAMMES

BIMTECH offers FPM (Fellow Programme in Management) and an EFPM (Executive Fellow Programme in Management) at the doctoral level. These programmes are approved by AICTE. The programmes are designed to build research competencies in doctoral students and develop their capacity for knowledge advancement and dissemination. While the FPM is a full time programme the EFPM is designed to facilitate working professionals to pursue their research goals.

Objective and Functions

The Fellow Programmes, which are in line with similar offerings of the IIMs, help in meeting the teaching and research requirements in society, academia, and industry, and in contributing towards creating future generation of scientific researchers in management studies.

PROGRAMME HIGHLIGHTS

01

Thorough and comprehensive training in research methodologies for a successful academic career in leading B-Schools.

)5

Encouragement of academic collaboration for addressing priority and gap areas in knowledge of management theory and practice.

02

Multiple areas of study allowing scholars to research topics of specific interests.

J6 💺

Participation in International Conference/ Seminar sponsored by BIMTECH.

Students can choose between full time positions (with scholarships) and part time positions according to their needs.

Personal supervision by distinguished faculty members who are uncompromisingly committed to quality research.

COURSE CURRICULUM

The Fellow Programme in Management offers research opportunities in the following areas:

- Operations and Decision Sciences
- Strategy, Innovation and Entrepreneurship
- Business Communication
- Economics
- Marketing
- OB & HR
- Finance, Insurance & Risk Mgmt (FIRM)

Nature and Structure of the Fellow Programme

The programme in the First Phase offers compulsory courses, among others, in Philosophy of Research, Literature Review, Writing Research Paper, Case Writing and Research Methodology and domain specific courses spread over a period of 18 months. Thereafter every scholar presents a Thesis Proposal before the Doctoral Committee. In the Second Phase, subsequent to approval by the doctoral committee of BIMTECH, the research scholar undertakes research on the selected topic culminating in the preparation and submission of a thesis. Successful evaluation leads to the award of the title of Fellow in Management.

.....

OUR RESOURCES

THE MENTORS

Faculty members are said to be the 'key resource' of any institution of higher learning. BIMTECH prides itself on a 62+ strong full time faculty base which provides an optimal mix of top level industrial and academic experience and rich cultural diversity to greatly enhance the learning experience. The faculty profile of the Institute enjoys wide diversity in terms of age, gender, regional background and field of experience. This translates into a unique learning experience which students passing out from here cherish for many years in future.

CENTRE FOR INTERNATIONAL AFFAIRS

26 | www.bimtech.ac.in

STUDENT EXCHANGE PROGRAM

Student Exchange Program is a popular program among students as it gives a global learning experience and improves cross cultural skills. The exchange students spend one or two trimesters in the partner Institutes/Universities. They undergo a full academic and cultural immersion in the host Institute/University. We have signed 66 MoUs with reputed institutions around the world.

The world of education was left disrupted in the year 2020 and 2021 by the COVID-19 pandemic. The higher education in Business Management paced up to blended mode of learning, a combination of online and face-to-face leaning. Despite the pandemic, BIMTECH took the initiative to host the first batch of Online Exchange Program that was executed successfully and seamlessly. The students from NEOMA Business School, France participated in the Online Exchange Program.

VIRTUAL INTERNATIONAL PROJECTS

BIMTECH is invariably open to innovative ways of engaging, enriching and enhancing the learning experience for the students. It provides opportunities for students to deeply involve in virtual projects, understand and learn the various complexities of different markets, experience how to work in teams with different cultural orientation. They gain experience in time management when working in different time zones and also adapt to work dynamics based on the availability of their team members.

Thomas Jefferson University, USA: A group of 51 students from Thomas Jefferson University, USA and BIMTECH were engaged in an online collaborative project for 3 months in 2021.

STUDY ABROAD

BIMTECH has established a 2 weeks' summer school program with the partner universities, paving the way for students who prefer a brief sojourn in international experiential learning. The students learn cross culture skills and enrich their studies by choosing from a bouquet of courses offered. They are awarded a certificate by the partner university at the end of the program.

INTERNATIONAL FACULTY ENGAGEMENT

BIMTECH always believes in cross border internalisation and internalisation at home. Every year we have distinguished faculty from international Institutes/University who visit BIMTECH on various assignments.

The international faculty are engaged in teaching, workshop, research work, guest lectures, panel discussion, as keynote speakers in conferences, book launches. Few BIMTECH faculty also travel abroad and engage in teaching assignment, research work, conferences, and consulting work.

CENTRE FOR CORPORATE RELATIONS

BIMTECH's Centre for Corporate Relations (CCR) performs an enabling and empowering function for its students. The activities revolve around persuading suitable corporates to the campus, sharing placement related information with students, offering continuous inputs on soft skills, updating with Industry/company related knowledge bits, competency enhancing information, holding internship workshop, updation of current events, anchoring and dissemination of question banks generated from campus engagements, initiation and strengthening of student networking with corporates etc.

Resume writing skills, soft skills workshops and arrangement of special lectures by leading recruiters, pre-placement talks, sharing of audio & video material to enhance student competencies etc. are also the part of CCR's remit. With the help of consultants, CCR offers HR profiling for all the newcomers. The department is also anchoring the promotion of MOOCs (like COURSERA, Edx etc.) in the campus. This is in addition to making available the services of several portals to students for updating general awareness and facilitating online projects.

One of the most prestigious student committee i.e. BIMTECH PlaceCom Team, is constituted and mentored by CCR with the assistance of about twelve experienced faculty to provide students with opportunity to liaise with BIMTECH alumni & corporates. About 16 PlaceCom team members along with CCR faculty travels to different cities in India to call on existing and potential recruiters and make presentations which leads them to know about BIMTECH's activities-which also acts as a "Leadership Apprenticeship Programme" for students.

CCR PlaceCom students are especially trained in soft skills, research skills etc.

The CCR team participates in the NHRDN, SHRM, NASSCOM and other HR community activities to keep in touch with leading recruiters.

CAMPUS

FACILITIES

A RESIDENTIAL PROGRAMME IN ITSELF ACCORDS UNPARALLELED OPPORTUNITY OF EXPERIENTIAL LEARNING IN THE SKILLS OF RELATIONSHIP MANAGEMENT. A SELF-CONTAINED COMPACT CAMPUS THAT BIMTECH OFFERS ONLY ENHANCES THE LEARNING OPPORTUNITIES AND EXPERIENCES. THE BIMTECH CAMPUS FOSTERS A CLOSE-KNIT FAMILY OF FACULTY MEMBERS WHO STAY ON CAMPUS, STUDENTS AND THE STAFF. A FAMILY WHICH LIVES, LEARNS, ENJOYS AND GROWS TOGETHER. BIMTECH IS LOCATED ON A COMPOSITE, FULLY AIR-CONDITIONED, WI-FI ENABLED, RESIDENTIAL CAMPUS IN GREATER NOIDA, IN THE NATIONAL CAPITAL REGION, A FEW KILOMETRES FROM THE CAPITAL OF INDIA. THE CAMPUS ENVIRONMENT IS HIGHLY CONDUCIVE TO ACADEMIC LEARNING.

Hostel Accommodation

BIMTECH has adequate on & off campus hostel facilities for the students. Both hostels provide at-par ultra-modern living environs. Rooms in hostels can be used on single or twin sharing basis. The hostels are designed to provide a proper mix of privacy & a unique social experience.

Medical Center

We have a fully equipped Medical Center with full time senior resident doctors ably assisted by reputed visiting doctors and other attending staff. An ambulance is available on campus 24X7 to meet any medical emergency.

I.T. Resources

The information technology facility is the speed resource of the Institute. The computer lab in the academic block with internet Wi-Fi connectivity in the hostel rooms makes it easy to access the material provided by the faculty. Round the clock internet facility connects the students with the world through lightening fast 200 MBPS internet speed. Students of all the programmes are always encouraged to bring their laptops for uninterrupted utilization of the facility. The campus is fully wired and provides 100 terminals to connect at various locations. The INTRANET usage is encouraged for the students for online discussions and interaction as well as material sharing.

BIMTECH Knowledge Centre

BIMTECH Library, known as the BIMTECH "Knowledge Centre" is a hybrid library. It is considered to be one of the best libraries in the Delhi NCR region in the area of management education with a mixed collection of both print and electronic resources, which include books, journals, databases, CDs/DVDs, e-journals, reports, etc. The Knowledge Centre plays a very important role in providing information services for the academic community in their intellectual pursuits. The library provides a wide variety of services physically as well as on line. The electronic resources subscribed by the library are accessible to the users through the discovery search facility.

The library is the most lively place on the campus, providing a friendly environment that enables learning and advancement of knowledge, extends research and publication assistance, and facilitates to postgraduate, research scholars, staff, & faculty. A large, well-ventilated two-floored reading-room supports it. The library is enriched with print and digital systems which are accessible to the students, exstudents, research workers, faculty, staff, and visitors. The library frequently displays and exhibits its resources.

Collections:

Books: 85471 (as on 31/08/2021)

E-books: 20000+

Online Journals (Full Text): 8860

The choice of a career is a life defining decision and it requires indepth information about the program and the Institute. Guided by our values of "integrity & transparency", we have put our best to provide all information which would possibly be required by the parents & aspirants for an informed decision making.

All the best!

Prof. Chanchal KushwahaChairperson - Admissions chairperson.admissions@bimtech.ac.in

ADMISSION CATEGORIES

A. Merit Category

(i) General Category

85 percent seats in all courses will be filled through general category. For distribution of seats, please visit http://bimtech.ac.in/admissions/. Regular admission is granted to those applicants who have fulfilled all the admission requirements and whose names appear in the merit list of successful applicants.

(ii) ESCS (Economically & Socially Challenged Students Category)

SC/ST/OBC/EWS/Minority Communities (Muslims, Sikhs, Christians, Buddhists, Zoroastrians/Parsis & Jains). 5 percent seats are reserved for the candidates coming from ESCS category to bring social diversity in the class. A weightage of 2 points would be given while calculating merit to facilitate the entry of such candidates. 15% concession to SC/ST and 5% concession to OBC/Minority Communities/EWS in Hostel Accommodation Charges will also be given under this category.

Note: 5% seats reserved for ESCS category will be opened for general category, if not filled by ESCS category.

B. Supernumerary Category

36 seats are reserved under Supernumerary category for People of Indian Origin (PIO)/Foreign Nationals (FN)-International/SAARC Nationals/Gulf Quota/Overseas Citizens of India (OCI) in PGDM program only where candidates will have to submit proof of their status as PIO/OCI/Foreign Nationals/Children of Indian Workers in the Gulf Countries.

Note: Admission under this category will be done on merit basis among applicants of Supernumerary category only.

C. Other Categories

10 percent seats will be filled through Corporate Sponsored/NRI/NRI sponsored.

Eligibility for Corporate Sponsored/NRI/NRI Sponsored/International Students Category

Minimum 50 percent marks in Graduation. Candidates appearing in Final Year Graduation Examination (1st attempt) in Summer 2022 can also apply. Such candidates will have to produce final year result of Graduation with min. 50% marks in aggregate on or before 31st October 2022 failing which their provisional admission will be automatically cancelled.

For being eligible under different categories, the applicant will have to produce the following at the time of submission of first instalment of tuition fee. (Tentatively in second week of March, 2022)

Additional Documents Required for Corporate Sponsored Category

- (a) A sponsorship letter from the Company in the format prescribed by the Institute and uploaded on our website.
 - (www.bimtech.ac.in/admissions/selection-criteria/)
- (b) The sponsoring company must have an annual turnover of Rs. 50 crore minimum as reflected in the latest financial statements available. (Audited copy of the balance sheet/Profit & Loss Account of preceding financial year i.e. 2020-21). Self-attested photocopy to be submitted, failing which the first instalment of tuition fee will not be accepted.

Additional Documents Required for NRI Sponsored Category

- Candidates will have to submit Sponsoring NRI's sponsorship letter as per format prescribed by the Institute and uploaded on our website. (www.bimtech.ac.in/admissions/selection-criteria/)
- Passport copy and visa or evidence of NRI status all duly attested by a qualified notary or Indian mission/consulate or Indian Chamber of Commerce in the country of residence or by consulate/mission/ embassy of the concerned country in India is required.
- 3. Proof of income-minimum 50,000 USD per annum income of the sponsorer will also have to be produced.

Additional Documents Required for NRI Category

Passport copy and visa or evidence of NRI status all duly attested by a qualified notary or Indian mission/consulate or Indian Chamber of Commerce in the country of residence or by consulate/mission/embassy of the concerned country in India is required.

Additional Documents Required for International Students Category

- Valid GMAT 2021-22 score. (Applicable for PGDM-IB, PGDM-IBM & PGDM-RM programs only)
- 2. International student should have Citizenship/ Nationality of a country other than India.

Additional Documents Required for Supernumerary Seats

 Candidates will have to submit a proof of their status as PIO/OCI/Foreign Nationals-International/SAARC Nationals/Children of Indian Workers in the Gulf Countries. 2. Admission under this category will be done on merit basis among applicants of Supernumerary category only.

Additional Documents Required for ESCS Category (SC/ST/OBC/Minority Communities/EWS)

The candidate shall be required to submit any one of the following in support of his/her claim for seats under ESCS Category:

- 1. For Minority Community certificate, candidate can submit any one of the following:
- a) Self declaration as per Format I (www.bimtech.ac.in/admissions/selection-criteria/)
- b) Caste/Community certificate issued by Religious Authority.
- 2. For admission under EWS Category, the family income of the applicant from all sources should not be more than Rs. 8,00,000/- p.a. The candidate shall be required to submit any one of the following:
- a) The applicant's family should hold an income certificate issued by the SDM or any other officer authorized in this behalf by the Revenue department stating that the total income of the family is not more than Rs. 8,00,000/- p.a.
- b) Income tax assessment order of most recent year which is issued to a person after filing ITR.

Note: Documents for all the categories to be produced at the time of submission of first instalment of tuition fee (Tentatively in second week of March, 2022) failing which the applicant will be considered under 'General Category' of Merit seats as per the eligibility.

.....

FINAL SELECTION CRITERIA

Parameters and Weightages for Merit / NRI / Sponsored Categories / Supernumerary Seats

S.No.	SELECTION CRITERIA	Weightages-Merit Category Students	Weightages-NRI/ Sponsored Categories/ Supernumerary Seats
1	Personal Interview (PI)	30%	45%
2	CAT/XAT/GMAT/CMAT/MAT percentile	40%	NA
3	Past Academic Performance (10th, 12th, Graduation)	10%	20%
4	Additional weightage for candidates with Engineering, Maths & Statistics background	5%	10%
5	*Work Experience	7%	10%
6	** Regional-Eastern States (seven sisters), Southern States (Kerala, Andhra Pradesh, Telangana, Tamil Nadu, Karnataka, Puducherry, Union Territories of J&K and Ladakh)	3%	5%
7	#ESCS Category-Minority Communities/SC/ST/OBC/EWS	2%	3%
8	#Gender (Female Candidates Only)	3%	5%

^{*} Weightage for work experience would ideally be given to a candidate only if he/she had worked in executive or supervisory role for a minimum period of one year as on 31/01/2022, in a registered company having turnover of Rs. 50 crores or more in the preceding financial year i.e. 2020-21. However, management reserves the right to relax this particular norm on the merit of the case, if the candidate is from a start-up, entrepreneurial or social organization.

Verification of Documents

All certificates, mark sheets and degrees submitted by applicants for seeking admission to any program in BIMTECH will be sent for verification to the issuing authorities. Admission secured through fake or manipulated testimonials will be cancelled immediately and no refund of any fee paid will be due. Document verification list is available at https://www.bimtech.ac.in/admissions/documents-list/

SELECTION PROCEDURE

The steps in selection for admission at BIMTECH includes:

STEP I: Application

- (1) Procurement of Form :
 Application form (common for all the programmes) is available on our website www.bimtech.ac.in
- (2) Filling up the application form:

 Application form can be filled online followed by paying Rs. 2000/- through Credit/Debit Card.

STEP II: Selection Process and Venue

The second stage is Personal Interview (PI). Normally an aspirant having a certain minimum percentile (cut off) in qualifying tests—such as CAT/XAT/GMAT/CMAT/MAT is called for this process.

However, to avoid possible overlapping of selection process with other B-Schools and also to facilitate the early selection/offer of admission, we propose to conduct an early round (First Phase) of PI process after third week of December 2021 itself which would be well before the declaration of CAT/XAT results. Here we intend to invite majority of the applicants who apply **on or before December 2nd, 2021** based on their profile as judged from:

- Consistency & good past academic performance
- Relevant work experience that brings value to class room learning

Such candidates would be required to upload their entrance test percentiles (CAT/XAT/GMAT/CMAT/MAT) the moment results are out. The candidates who appear in the early round of PI can expect to have admission offer letter, subject to selection, within 10 days of the declaration of CAT/XAT results – tentatively in the **second week of February, 2022.**

^{**} For getting regional weightage, submission of valid proof of residence is must. The domicile certificate issued by a competent authority or copy of passport/Aadhar etc. can be submitted as an additional document. (Applicable only to the candidates coming from North East, Southern States & Union Territories of J&K and Ladakh)

[#] For getting ESCS category weightage, relevant certificate issued by a competent authority for EWS/SC/ST/OBC/Minority Communities (Muslim/Sikh/Christian/Buddhist/Parsi/Jain) has to be submitted. Management reserves the right to make minor changes to address diversity on gender and social parameters.

The second round of selection process (post declaration of CAT/XAT results) would be held **after the second week of February 2022** and there only those applicants who get a minimum prescribed cut-off percentile would be called for PI process. The admission offer letter for the second round of process is expected in **second week of March**, **2022**.

First phase (early round) of selection process in December 2021 for all programmes would be conducted at six centres i.e. Bengaluru, Cochin, Kolkata, Pune, Varanasi and Greater Noida. The second phase would be conducted pan India at 15 locations such as Ahmedabad, Bengaluru, Bhubaneswar, Chennai, Cochin, Dehradun, Greater Noida, Guwahati, Hyderabad, Indore, Kolkata, Mumbai, Pune, Ranchi and Varanasi. However, the Institute reserves the right to cancel/add any of the outstation centres.

Candidates need to update their entrance test percentiles (CAT/XAT/GMAT/CMAT/MAT) in the online application form after the same are declared for preparation of final selection list based on merit

STEP III: Result

Declaration of Final Selection List:

Final selection list is prepared taking into account the candidate's:

- 1) Past academic performance
- 2) Entrance test scores (CAT/XAT/GMAT/CMAT/MAT)
- 3) Performance in Personal Interview based on their respective weightages as mentioned on page no. 45
- 4) Work Experience (if applicable)
- 5) Other parameters, wherever applicable, as per the weightages table

Final Selection List would be declared by **2nd week of March 2022 (tentative)**

STEP IV: Admission

Fee Submission

The selected candidates are to deposit the first installment of tuition fee within the given time frame in the offer letter to ensure their admission, failing which the offer is passed on to the waitlisted candidates. The fee for boarding/lodging would be given separately at a later date.

Institute does not entertain any request for extension of the deadline for submission of fee.

Beginning of Session

Academic session of all the programmes is likely to start on **Wednesday**, **June 15**, **2022** (**tentative**).

Tie-ups for Education Loan:

BIMTECH has a formal tie-up with HDFC Credila Financial Services Pvt. Ltd., Axis Bank, SBI Bank, Union Bank of India and Avanse Financial Services Ltd. for providing education loans on priority basis subject to fulfillment of their terms and documentation requirement. BIMTECH is a reputed name in Business Education and almost all banks are extending loans to our admitted candidates. However Institute has no active role in arranging loan for applicants.

NOTE: All the admission related communication would be done through email only on the email id provided in application form by the applicant. We also use SMS to share important notifications on the mobile number provided by the candidate in the application form. Candidates are also advised to follow our official Facebook page for general updates and dedicated Facebook group for admission updates/queries.

IMPORTANT REGULATIONS

- (1) If a student admitted to the Institute is found to have given any false information or suppressed some information, his/her admission will be cancelled and fees will not be refunded to such candidate.
- (2) The Application Fee once paid is non-refundable.
- (3) The total tuition fee for any programme under Merit category and Supernumerary seats may be paid in equal half yearly instalments.
 - The first such instalment shall be paid before the start of the session. No extension of time limit will be granted for the same.
 - For NRI and NRI/corporate sponsored candidates, the fee is paid annually.
- (4) The Institute does not take responsibility for delay in transit involved in receipt and delivery of any communication between the Institute and the applicant.
- (5) All disputes are subject to the legal jurisdiction of District Gautam Budh Nagar, Uttar Pradesh (India).
- (6) Those who are given provisional admission due to nondeclaration of their graduation result are required to submit the marks sheet up to 31st October, 2022, failing which the

- candidate will cease to be a student of the Institute. In such a case, the general security deposit alone will be refunded.
- (7) Students who are not able to secure 50% aggregate marks in their graduation exam after the admission is granted, will have to withdraw from the programme and no fee except general security deposit will be refunded.
- (8) A student should observe all the rules and regulations, framed from time to time by the Institute. Breach of any of these may render him/her liable for penalty under the rules and/or expulsion from the Institute. For quick reference of the Institute's rules, candidates may refer to the current student's handbook by visiting the link https://bimtech.ac.in/studentcorner/student-handbook/
- (9) All BIMTECH Programmes offered are compulsorily residential. Staying in the Institute's hostel for complete 2 years is mandatory and will not be changed under any circumstances.

The Institute reserves the right to alter course content of the programmes, rules and regulations, teaching schedule, tuition fee payable, boarding and lodging fees and/or any other matter pertaining to its working. The Director's decision will be deemed as final in all such matters.

.....
