STUDENTS WITH WORK EXPERIENCE

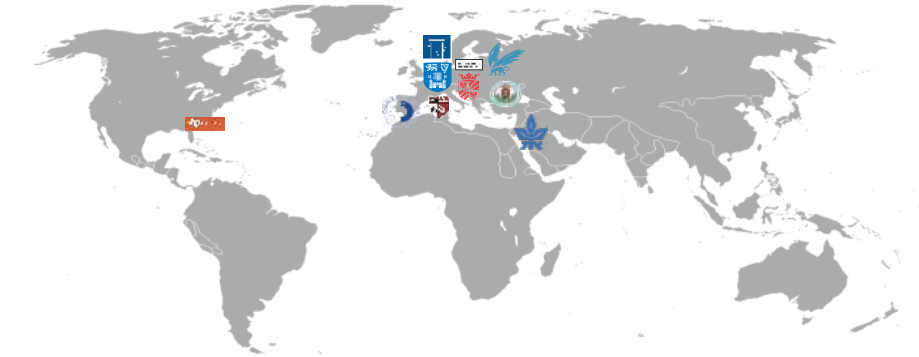

The admissions process at Thapar School of Management follow a rigorous multistage selection process. During our admissions process we look for individuals with intellectual interests, and a desire to stretch themselves through meticulously designed academic programme. The admission process is designed to allow all applicants to illustrate their leadership skills. The students are from all parts of India who together create an exciting, dynamic and diverse environment on campus. The batch 2017-19 include individuals with work experience and have completed their summer internships and live projects to get knowledge of opportunities and challenges faced by organizations.

Functional Experience

Global Immersion Program

The MBA Program boasts a curriculum that challenges students to view business through an international scope. The Summer Internships abroad offer a unique opportunity for students to gain much needed global exposure. The Global Immersion Program at LMTSM provides unique firsthand experience with the business and culture of the host country. The consulting and research projects provide individuals with an insight on applying class room theories to real world business problems. We strongly believe future leaders must not only be equipped with global sensitivity but also must possess an intuitive understanding on ways to leverage innovative business models from developed to emerging markets.

The MBA Program at **Thapar School of Management** gives multiple opportunities for Global Exposure than most other programs. My summer internship project got me a full-time position as Research Support manager at **University of Malta (EU)** at a gross remuneration of **Rs. 25.63 lacs p.a**

Sameer Kumar Jasra
Research Support Manager
University of Malta (EU)

I got a life-changing opportunity of studying one semester in **University of Malta (Europe)** as a visiting student which gave me a hands-on experience for the recent trends in technology available in the IT sector and of course an edge over other students. It also helped me grab international placement in one of the 'Big Four' auditor organizations of the world **KPMG Crimsonwing**.

Student Alumni Network that spans the globe.

The journey of a student at LMTSM continues long after they graduate. As a member of Thapar University's Alumni Association students have access to a global network. The alumni network currently counts to 18500+ who are spread over 95 countries. The network helps our alumnus to continuously share further educational opportunities and multiple ways to connect professionally across various industries/sectors.

At Thapar we organise a wide range of seminars, talks, networking events, and social events to allow alumni to preserve their ties and develop their interests. Alumni can choose for their profile to be included in our database with our Employability Team from which potential candidate details are shared with top companies. There are exclusive events organized to invite alumni as exclusive guest speaker and other networking events. At Thapar we say 'Stay connected for Life', for keeping in touch with former classmates and colleagues we carry out initiatives on social media.

The MBA program at Thapar University has been the most defining education experience of my life. The program definitely widens one's fundamental approach to business.

Thapar school of management has one of the most rigorous and dynamic curriculum. Throughout the course we were taught diverse subjects through the use of real business cases, group presentations, and interactive industry sessions. I am a doer, achiever and problem solver and can quickly understand any difficult situation and implement my experience and learning into practice to benefit and achieve organizational goals and this I attribute to the DNA of Thapar Business School running in me.
